PROJECTS

Ragyalittles E-commerce Application

Created ecommerce application where user can buy products and make payment (Razor Pay payment gateway).
Tech stack – **Django, Vue.js**
Deployed on ubuntu using **NGINX** and **GUNICORN**
Live URL - https://ragyalittles.com/

Advanced payroll management system

Developed a human resource management software (HRMS) + payroll management system. It includes report generation such as salary, epf, esic, etc. Reports can be downloaded in various formats such as pdf, excel and text. Also, admin can mark attendance and pay-outs.
Tech stack - **PHP Laravel.**
Live URL- https://saiinfotechindia.org/

City Konnect

City connect is business listing directory where people can list their business and can purchase plans. It is also packed with a powerful CRM which includes sending automated messages on plan expiry using **cron** jobs.
Tech stack – **PHP Laravel**
Live URL - http://citykonnect.com/

File Convertor

Created a file convertor in **Django** which converts the file in the background. The application runs asynchronously.
Tech Stack – **Django**, **Celery**, **Redis** as a message broker.

Real time Covid-19 Tracker

Developed COVID-19 tracker which gives real time data for active patients of Covid-19. The application scrapes the data from MHRD website using **beautiful soup**.
Tech stack - **Python Flask**, **Vue.js**

Ludo mission

A ludo betting web app where user can bet using the platform. Implemented web sockets using Django channels for real time data sending room code and creating game
Tech stack **– Django, Django-channels, Web-sockets**
Live URL - https://www.ludomission.com/

ABOUT

A hard-working person who loves to write clean and scalable code. Using latest tech stack. Always hungry for learning new things.

AREAS OF INTEREST

- Web Development, Creating REST API, Deployment
- Data Structures and Algorithms

TECHNICAL SKILLS

Programming Languages: C++, Python, JavaScript.
Frameworks – Django, Flask, Vue.js, Laravel.
Project Deployment
Version Control

EDUCATION

BCA – Bachelor of Computer applications | IGNOU

Percentage - 61.83

MCA – Masters of Computer applications | Madan Mohan Malaviya university of technology, Gorakhpur

CGPA – 7.69 | Pursuing

WORK EXPERIENCE

Worked as a **freelancer** on multiple projects.

Intern at CognoAI – SDE
Intern at CognoAI.
